

**fibrelogic™**  
PIPE SYSTEMS

The **ultimate** in piping solutions

**case study: Aldinga SURP**

**project:** Southern Urban Reuse Project (SURP)

**client:** Guidera O'Connor

**location:** South Australia

**product:** Flowtite GRP Pipe & Fittings

**manufacture & supply:** Assorted Pipe diameters and lengths, REKA Rubber Ring Jointed. Also many flanges, bends and tees to supply a fully GRP pipe supply package.

**value:** \$1 - \$5m

**year of project:** 2010

**description:** Fibrelogic supplied various pipe sections with pre-spooled branches and fittings attached to enable faster and simpler site installation. Flowtite GRP Pipe was selected due to its superior corrosion resistance and long service life over traditional materials.
